

#Website Relaunch Event @RAPIM

Swami Vivekananda once said, "Education is not the amount of information that is put into your brain and runs riot there, undigested all your life. We must have life-building, man making, character building, assimilation of ideas". This can only happen if an institute has a well planned calendar of their activities and, in the contemporary world communication of that information to the fellow members of the institution holds great importance.

With the noble aim of putting this very thought into action, RAPIM witnessed the relaunch of the much enriched website of its own on 4th September 2016 under the able stewardship of Professor Rajesh Kothari, Dean and Director of the Institute.

The occasion was graced by the esteemed presence of Honorable Shri Kalicharan Saraf, State Higher Education Minister and Honorable Shri Ramcharan Bohra, Member of Parliament. They addressed the students and then went on to unveil the new website.

Also, their presence and their words filled students with new hope for a very bright future ahead.
